FROM THE PASTORS

Welcome to New Life, we are glad you chose to worship with us. We prayed for this service today and it is our hope that you sense God's presence and know you are welcome here! If you do not have a regular church home we would love for you to be a part of the New Life family. New Life Church exists for the purpose of allowing people to experience New Life in Christ. Whether you are just curious or you are growing in that New Life, this is where you belong. Welcome home!
